github.com/pinnamanenirohith | linkedin.com/in/rohith-venkata-sai-pinnamaneni

SUMMARY

Final-year CS student and AWS Certified Developer who ships full-stack web apps end to end with Next.js/React, Node.js/Express, FastAPI, MongoDB/MySQL and CI/CD to Linux. Built KL University's live SAC website and an AP Police guest-registration system recognised by the SP, Guntur; President of the SAC, leading an 80+ member council for 7,000+ students.

EDUCATION

B.Tech, Computer Science & Engineering (Cloud Native Engineering), KL University | CGPA 8.29/10 — 2023 – 2027

TECHNICAL SKILLS

Languages: TypeScript, JavaScript, Python, Java, C, SQL
Frontend: React, Next.js, Tailwind CSS, TanStack Query, Vite, Flutter
Backend: Node.js, Express, FastAPI, REST APIs, JWT auth
Databases: MongoDB, MySQL, SQLite
Cloud & DevOps: AWS (S3), GitHub Actions CI/CD, Linux, Nginx, PM2, Vercel, Git
AI & Automation: IBM Watson Assistant, NLP, Automation Anywhere (A360)

PROJECTS

KL University SAC Official Website — 2026

Next.js 16, React 19, TypeScript, Tailwind CSS, MySQL, AWS S3, PM2 / sac.kluniversity.in / github.com/pinnamanenirohith/KLSAC

- Built and shipped the official SAC website on the university domain: clubs, domains, achievements, stories and news.
- MySQL-backed content with AWS S3 media storage, in production under PM2; built in the open over 190 commits.

SafeStay AP — 2026

FastAPI, Python, SQLite, React, Vite, Flutter

- Built hotel guest registration for AP Police: one FastAPI backend serving a React admin panel and a Flutter citizen app; demoed in Eluru.
- Recognised with a Certificate of Appreciation from the SP, Guntur District, presented by the DGP, AP Police (Sep 2026).

INTERNSHIPS

AI & Cloud Intern, IBM SkillsBuild / Edunet Foundation (AICTE) — Jul 2025 – Aug 2025
pinnamanenirohith.github.io/Smart-Farming-Advisor

- Built Smart Farming Advisor, a Watson Assistant chatbot on IBM Cloud that answers crop and weather questions via intents and entities.
- Rebuilt it as a live English / Telugu web app with an in-browser intent classifier and real-time weather.

Java Full Stack Intern, BrainOVision Solutions India (AICTE) — May 2025 – Jun 2025

- Worked on assigned Java full-stack projects and tasks in a one-month AICTE-approved internship.

LEADERSHIP

Student Activity Center, KL University — Jul 2025 – Present

President (Jun 2026 – Present) | Vice President (Sep 2025 – Jun 2026) | Administrative Lead (Jul – Sep 2025)

- Lead an 80+ member council serving 7,000+ students across 30+ clubs and 60+ monthly activities; primary liaison to the administration.
- As VP, coordinated council-wide programs (2025–26); as Admin Lead, ran operations and supported Surabhi 2026 (5,000+ attendees).

Club Lead, SafeLife Club, KL University — Jun 2024 – Jul 2025

- Ran CPR training for ~1,500 students with AIIMS Mangalagiri; led a 5-village health survey and a 2-day health camp.

CERTIFICATIONS (14)

AWS Certified Developer – Associate | AWS Certified Cloud Practitioner | Salesforce Certified AI Associate | Automation Anywhere Advanced Automation Professional | Cisco: Python Essentials 1 & 2 + 4 more | Cambridge Linguaskill English B2 (C1 Reading)

AWARDS

Certificate of Appreciation, SP Guntur District, AP Police (2026) | Femflare'26 Recognition, WDC, KLU (2026) | Vice President Recognition Award, WDC, KLU (2025–26) | SAC Admin Lead and SafeLife Club Lead Recognition Awards (2024–25)
